

PROJECT PRE-QUALIFICATION CHECKLIST

Please provide information on the existing building features of the project that is applying for the Designed for Comfort Rebate Program.

Name of Project _____ Name of Project Owner _____

EXISTING CONDITIONS OF BUILDING[S]

1. What is the year of construction for this project?

2. Type of Windows:

- Single Pane
- Double Pane
- Other, specify _____
- Don't know

3. Type of Insulation:

Is there any Attic/ Roof Insulation in dwelling units?

- Yes
- No
- Don't know

If Yes, what is the insulation value (for example R-19 or R-30, etc) _____

Is there any wall Insulation in dwelling units?

- Yes
- No
- Don't know

If Yes, what is the insulation value (for example R-13 or R-19, etc) _____

4. Type of Water Heater

What is the type of water heater?

- Central or
- Individual

If central water heater, does it have any controls (like demand or temperature or time control)?

- Yes
- No
- Don't know

What is the fuel type?

- Gas
- Electric

Who pays for the water heater?

- Tenant
- Owner

5. Type of Space Heating

Is there any space heating?

- Yes
- No

If so, type of heating equipment

- Wall furnace
- Central furnace
- Other, specify _____

What is the fuel type?

- Gas
- Electric

Who pays for the space heating?

- Tenant
- Owner

6. Type of Space Cooling

Is there any space cooling?

- Yes
- No

If so, type of cooling equipment

- Room AC
- Split system
- Other, specify _____

What is the fuel type?

- Gas
- Electric

Who pays for the space cooling?

- Tenant
- Owner

7. Has the project been upgraded since the time it was constructed?

- Yes
- No

If Yes, please list the year it was upgraded and type of upgrades that were done

1. _____ 2. _____

3. _____ 4. _____
